CAUSE

Prob 12B – page 2
Ronald Carstarphen

Ronald Carstarphen stands before the Court pending a violation of supervised release hearing, which is scheduled for January 14, 2022, before the Honorable Renée Marie Bumb, United States District Judge for the District of New Jersey. Since his diagnosis of psychosis with depressed mood in June 2021, he has struggled with unstable housing due to his affect and symptoms. Though he has made strides to remain drug free and cope with the new diagnosis through continued therapy, homelessness has loomed and such instability may destroy the strides Mr. Carstarphen has made thus far. In an attempt to safeguard Mr. Carstarphen and provide him with stability, a placement at the residential re-entry center is requested. Mr. Carstarphen's attorney, Assistant Federal Defender Christopher O'Malley, supports the recommendation. This will allow him to continue to work and move him toward more independence to care for himself by saving money to get his own residence.
